Hours of work are Mon-Fri 40 hours/week (overtime paid after 40 hours/week), pay is $31.00 hourly. Successful candidates must speak English and have completed high school. Minimum work experience is 3 years hands on experience. Please send resumes via email to hr@phoenixglassinc.com

Job Description

Main duties are as follows but not limited to:

· Read and interpret blueprints and specifications to determine type and thickness of glass, frame, installation procedure and materials required
· Measure and mark glass and cut glass using glass cutters or computerized cutter
· Position glass panes into frames and secure glass using clips, points or moldings
· Assemble and install prefabricated glass, mirrors or glass products on walls, ceilings or exteriors of building
· Fabricate metal frames for glass installation
· Install, fit, fabricate and attach architectural metals or related substitute products in commercial and residential buildings
· Install pre-cut mirrors and opaque and transparent glass panels in frames to form exterior walls of buildings
· Replace glass in furniture and other products
· Prepare and install skylights, showcases and aquariums and stained or other special glass in churches, museums, sports and other establishments
· Repair and service residential windows, commercial aluminum doors and other glass supporting structures, and replace damaged glass or faulty sealant
· May prepare cost estimates for customers or clients.
