Fine Touch Drywall Ltd.

Address: 13688 90 Ave, Surrey, BC, V3V 7P2

Phone: +1 7783858232

Position: Drywall Installer

Duration: Full Time Permanent Position

Job Location: 13688 90 Ave, Surrey, BC, V3V 7P2

Education: High School.

Experience: 1-2 years.

Number of openings:1

Wage: $39.00 /hour for 35 hours per week

Language: English.

Start Date: As soon as possible

Job Duties:

• Read and interpret construction drawings and specifications to determine installation requirements and ensure work is completed according to project standards.

• Supervise and coordinate with other workers

• Measure, cut, and prepare drywall panels for installation on interior walls and ceilings.

• Align, position, and securely fasten drywall sheets to wood or metal framing members, including studs and joists.

• Cut, fit, and install metal corner beads to reinforce and protect outside corners from damage.

• Apply joint compound to seams, nail or screw indentations, holes, and surface imperfections using appropriate finishing tools.

• Reinforce drywall joints by embedding joint tape into compound with taping equipment or hand tools.

• Remove excess compound, ensure a smooth finish, and allow each coat to dry thoroughly before further application.

• Apply multiple coats of joint compound as required and sand the finished surfaces to create smooth, seamless joints.

• Assemble and install suspended metal ceiling grid systems and fit ceiling panels to construct acoustical and coffered ceiling installations.

• Inspect completed drywall and ceiling installations for quality, make necessary repairs or adjustments, and maintain a clean and safe work area in compliance with workplace safety regulations.

• Work at heights, on scaffolding or swing stages
• Follow all safety procedures on work site.
• Install suspended metal ceiling grids and place in panels.
