Job Description

Job Overview

As a rubber paving labourer, you will assist in the preparation, mixing, and installation of rubber paving materials for residential, commercial, or municipal projects. This role requires physical labor, attention to detail, and the ability to work effectively as part of a team in outdoor conditions.

Key Responsibilities:

- Load, unload and transport construction materials
- Read blueprints to determine work requirements
- Erect and dismantle concrete forms, scaffolding, ramps, catwalks shoring and barricades
- Perform routine maintenance work
- Remove rubble and other debris at construction sites
- Prepare raw materials for mixing process
- Trim, smooth, and shape surfaces
- Mix, apply and spread mortar, cement, mastic, glue or other adhesives using hand trowel

Clean and prepare surfaces by removing debris, dirt, and existing materials.

Repair or patch any uneven surfaces (e.g., cracks, holes) to ensure a smooth base.

Mask and protect surrounding areas to prevent material overspill.

Load and unload rubber granules and binding agents.

Measure and mix rubber material with binder to specified ratios.

Transport mixed materials to the installation site.

Spread rubber mix evenly over prepared surfaces using hand tools such as trowels and rakes.

Ensure consistent thickness and smooth finish.

Edge and finish surface neatly along borders, fixtures, or landscaping.

Clean tools and equipment after use.

Assist in removing masking materials and general site cleanup.

Follow all safety protocols and wear proper PPE (e.g., gloves, kneepads, safety boots).

Report any unsafe conditions or equipment issues.

Maintain high standards of workmanship.

Qualifications & Skills:

Physically fit and able to lift heavy materials (up to 50 lbs).

Comfortable working outdoors in various weather conditions.

Ability to follow instructions and work as part of a team.

Experience in landscaping, paving, or construction is an asset but not required.

Reliable, punctual, and detail-oriented.

Join our team as a Rubber Paving Laborer where your skills will contribute significantly to our projects' success while gaining valuable experience in the construction industry.
