*Please confirm in your resume that you are legally authorized to work in Canada (i.e. either a permanent resident or citizen of Canada or a Refugee Claimant with a valid work permit).

Job Description

Duties:

- Perform commercial cleaning tasks in assigned areas, including offices, restrooms, hallways, and common spaces;
- Clean and safely dispose of human waste, vomit, and blood, as required, from various surfaces and medical equipment;

- Conduct preliminary cleaning of medical instruments in preparation for sterilization;
- Maintain facilities by performing custodial duties such as dusting, mopping, vacuuming, and sanitizing surfaces;
- Communicate effectively with team members and management regarding cleaning schedules and any maintenance issues that arise;
- Demonstrate excellent time management skills to complete tasks efficiently within designated time frames;
- Provide exceptional customer service by addressing any concerns or requests from facility occupants promptly.

Requirements:

- At least 6 months of previous experience in commercial cleaning or custodial services is required;
- Previous cleaning or custodial services in a health-care facility is an asset;
- English language ability is required.
