Full Time	CAD 33	3 years to less than 5 years	Secondary (high) school graduation certificate

Job Details

We are seeking a detail-oriented drywall installer and finisher to join our team. As a drywall finisher, your duties will include sealing joints, repairing cracks, and smoothing imperfections on walls and ceilings to create surfaces that are suitable for final treatment. You should also ensure that all supplies are used safely.

To be successful as a drywall installer and finisher, you should be able to complete tasks efficiently while maintaining a high quality of work. Ultimately, an excellent drywall finisher will utilize sound techniques to produce high-quality drywall finishes on time.
