Job Details

Platinum Pro-Claim Restoration located at 13880 Mayfield Pl, Richmond, BC V6V 2E4 is looking for 5 Restoration Technicians to coordinate and lead flood restoration projects. The salary range is \$25.00 to \$30.00 per hour, depending on experience, working an average of 40 hours per week. These are full-time, year-round positions. An extensive benefits plan including extended health, dental, GRSP, LTD, a health care spending account are available after 3 months of employment. We also offer a health and wellness program that includes free yoga classes and customized personal trainer programs, as well as a full CrossFit gym in our warehouse.

Duties and Responsibilities

- Conduct thorough initial assessments of affected areas.
- Detect moisture using moisture meters and other tools to find hidden moisture in walls, floors, and other structural components.
- Complete emergency-related tasks such as extracting water, carpet cleaning, general demolition, mould and bacteria remediation.
- Identify affected contents and cabinetry and protect unaffected contents and cabinetry from further damage.
- Set up and monitor industrial-grade drying equipment such as dehumidifiers, air movers and heaters to facilitate the drying process.
- Monitor and regularly measure and record moisture levels.
- Understand the science of drying and psychrometry.
- Sample for asbestos, lead and other hazardous materials
- Ability to disconnect toilets, washers, dryers, fridge water lines, dishwashers, sinks, garburators, tubs, showers and faceplates, detach countertops and cabinets.
- Assisting with the training of new labourers and flood technicians and delegate work properly to labourers.
- Ensure all necessary paperwork is completed in detail (WDER, DAR, mDAR etc).
- Communicate with homeowners, project managers, co-workers and other various stakeholders.
- Working collaboratively with demolition, construction, carpentry, content and hazmat teams
- Accurately completing your timecard by the end of each day on ADP.
- Adhere to safety protocols and guidelines.
- Maintain and clean equipment regularly.

- Be proficient at various flood-related demo tasks while maintaining a clean and safe work environment.
- Maintaining a neat and orderly company vehicle if assigned.

Requirements and Qualifications

- Have a valid class 5 or novice BC driver's license (to be presented at the time of hire).
- Must have their WRT certification from the IICRC.
- CCT, FRST, and AHERA designations are all considered assets.
- Willing to work overtime and on-call shift work.
- Ability to lift industrial fans 30 - 40 lbs.
- Ability to load/unload wheeled industrial dehumidifiers 130 - 140 lbs.
- Pass a criminal and driver's abstract check, to our approval.
- Attention to detail.
- Excellent customer service skills.
- Ability to work well alone as well as in a team environment.
- Construction or restoration experience is an asset.
