Job Description

JPP Transport Ltd. is seeking a dependable and detail-oriented Logistics Team Leader to support and oversee the daily logistics and transportation operations of the company. The successful candidate will assist with coordinating freight activities, supervising logistics staff, maintaining operational efficiency, and ensuring smooth communication between dispatch, drivers, customers, and management.

The Logistics Team Leader will play a key role in organizing transportation operations, monitoring workflow, assigning duties, and supporting the company's logistics objectives through effective leadership and coordination. The position requires strong organizational abilities, problem-solving skills, attention to detail, and the ability to work efficiently in a fast-paced transportation environment.

The successful candidate will also be responsible for assisting with operational planning, resolving logistical issues, monitoring shipment schedules, maintaining accurate records, and ensuring compliance with company procedures and transportation regulations. Strong communication and leadership skills are essential to support team productivity and

maintain high service standards.

This position requires the ability to manage multiple priorities, coordinate operational activities, and contribute to the overall efficiency and success of JPP Transport Ltd.'s logistics and transportation operations.
