Job Description

The Counsellor, Children's Services is a full-time permanent role based on-site, in-person in Longlac, ON. Working within a Recovery Framework, the Counsellor, Children's Services supports children and youth (birth to 17 years of age) living with mental health challenges and/or developmental disabilities and their families/guardians and communities across the District of Thunder Bay. The Counsellor, Children's Services, works as an integral part of a clinical team responsible for providing mental health core services funded by the Ministry, including but not limited to access/intake, assessment, brief service, counselling, crisis response, case management, and family support. Services are delivered one-on-one and through group facilitation and may occur in person, in-community, or virtually. The Counsellor, Children Services reports directly to the assigned Clinical Services Manager.
