Job Details

Position: Chief Development Officer (CDO) - NOC 00012

Company: Wafr Technologies Ltd. (dba Wafr)

Business Address: 708-1201 West Pender Street, Vancouver, BC, V6A 1W7

Terms of Employment: Permanent, full time in office.

Salary: \$160,000 per year

Benefits: Extended Health Benefits

Hours: 40 hours per week

Language: English

Location of Work: 708-1201 West Pender Street, Vancouver, BC, V6A 1W7. Must be available to travel within Canada to oversee outside projects and work sites.

Job Requirements

- 1) University degree in engineering, business administration, commerce, computer science or other related discipline;

2) Min. 5 years of experience as a middle manager in financial, communications or other business services;

3) Experience with Data Center MEP Fit out and Commissioning;

4) Proven project management expertise or PMP designation.

Job Duties

- Work directly with engineering and IT teams to define project scope, timelines, and deliverables of data centre infrastructure projects

- Oversee day-to-day progress of data centre infrastructure projects to ensure quality, on budget and timely delivery

- Hire, onboard, and manage project teams for every project for which you are responsible

- Establish and monitor KPIs, track project performance, and implement improvements

- Manage supplier and client relationships, conduct regular meetings, and resolve issues or escalations

- Allocate budgets and resources across projects, ensuring cost control and efficiency

- Review and approve technical solutions to ensure alignment with client needs and company standards

- Supervise and mentor team leads, coordinating work across departments
- Ensure compliance with data security, operational policies, and contractual requirements

How to apply: Please send a cover letter AND resume by email to darrell.kopke@wafr.ca
