JOB DETAILS:

We are looking for a skilled and dependable Bicycle Mechanic to join our team. The successful candidate will be responsible for inspecting, repairing, servicing, and maintaining bicycles and related sporting goods equipment to ensure safe and proper operation. The role requires strong mechanical ability, attention to detail, and the ability to work efficiently using hand and power tools in a fast-paced environment.

Job Bank #3573455

Job Description

RESPONSIBILITIES:

Tasks

- Inspect bicycles and sporting goods equipment to determine the requirements for repair
- Repair or replace defective or worn-out bicycle parts and sporting goods components using hand, power, or specially designed tools
- Test and adjust repaired bicycles and sporting goods equipment for proper functioning and safety
- Calibrate and tune bicycles and sporting goods equipment using hand tools
- Perform routine maintenance services such as tire inflation, brake adjustments, chain lubrication, and gear tuning
- Assemble and prepare new bicycles, eBikes and sporting goods equipment for customer use, including final adjustments and safety inspections.
- Maintain service records and document repairs performed.
- Independently assess, diagnose, and troubleshoot mechanical and operational issues on bicycles and eBikes and determine appropriate repair solutions.
