Job Description

Duties:
• Develop customized colour correction strategies for clients with previous chemical damage, uneven pigmentation, or complex hair histories;
• Perform advanced texture services, including digital perming, keratin treatments, thermal straightening, and restorative conditioning programs;
• Assess hair and scalp conditions and recommend appropriate treatment plans to maintain hair integrity and long-term

scalp health;
• Maintain detailed client service records, including colour formulas, treatment history, and future service recommendations;
• Resolve complex client concerns and provide corrective solutions to ensure client satisfaction and retention;
• Lead consultations for high-value transformation services and special event styling;
• Stay current with emerging industry trends, advanced styling techniques, and product innovations through ongoing professional development;
• Participate in salon service planning, pricing discussions, and development of premium service offerings;
• Support salon quality control by ensuring services meet established technical and customer service standards;
• Assist with inventory monitoring and selection of professional-grade colouring, treatment, and styling products;
• Coordinate workflow during high-volume periods to ensure efficient client service and optimal appointment management;
• Provide technical guidance and hands-on coaching to junior stylists regarding cutting precision, colour theory, chemical processing, and client consultations;
• Build and maintain a returning client base through advanced consultation, personalized services, and professional relationship management;
• Perform bridal, editorial, fashion, or special occasion hairstyling services where required;
• Ensure compliance with salon hygiene, sanitation, and occupational health and safety standards;
• Contribute to salon marketing initiatives through portfolio development, social media content participation, and promotion of salon services.

Requirements:
• Must have completed an apprenticeship or college program in hairstyling plus on-the-job training OR have a minimum of 5 years of professional experience if no formal hairstyling training or education;
• English language ability is required;
