Job Details

Daizen Joinery Ltd. is seeking 1 Carpenter lead hand to join us.

Permanent, Full-time; $37.00 per hour; 30-40 hours per week (plus extended health and dental benefits after completion of 3 months probation period) and bonus available based on performance.

Duties:

- Read architectural plans and shop drawings to inspect if joinery details are feasible before proceeding with production;
- Inspect the parts produced by the CNC, joinery details and the layout and provide finishing by hand;
- Custom heavy woodworking;
- Build solid timber stairs and structures;
- Supervise and provide guidance to apprentices and other construction workers as required;
- Prepare cost estimates and material lists for projects when needed.

Requirements:

- Completion of secondary education is required;
- College Diploma or certification in a recognized construction/carpentry course is preferred;
- At least three years of previous experience in carpentry is required;
- Must have professional knowledge of wood materials, methods, and the tools involved in the carpentry trade;
- Able to work independently or in small teams;
- Ability to lift heavy beams of timber;
- Basic English language ability is required.

How to apply:

*Please do not call or apply in person.

Please email resumes to: log@Daizen.com
