Job Details

The company is looking for a motivated, resourceful, autonomous and responsible cleaning technician, with a concern for a job well done. The candidate sought is meticulous, attaches great importance to the quality of his or her work and is in good physical condition to perform tasks related to car cleaning and detailing in a dynamic environment.

Tasks:

1. Thoroughly clean the interior and exterior of vehicles using specialized equipment and products.
2. Wash, dry, shampoo carpets and seats, and clean leather, fabric, vinyl and plastic surfaces.
3. Perform polishing, waxing, decontamination and polishing of the body to restore the appearance of vehicles.
4. Apply protective treatments to exterior surfaces, including waxes, sealants and protective coatings.
5. Inspect vehicles after cleaning to ensure that the work meets the company's quality standards.
6. Use and maintain cleaning tools, equipment and products in accordance with established procedures.
7. Maintain the work area clean, safe and well organized, while respecting occupational health and safety standards.
8. Move vehicles as needed to facilitate cleaning and preparation operations.
