Job Description

Duties:

- Prior to each flight ensure that the aircraft is suitably equipped for the mission.
- Responsible to complete the daily inspection prior to each flight assignment.
- Devise a flight plan using information about the weather, passengers, aircraft, and route.
- Conduct preflight safety checks and work closely with maintenance crews to ensure any issues are addressed before commencement of flight.
- Ensure that aircraft checklists are used during all flight operations.
- Ensure operation of the aircraft is always performed in a safe manner.
- Communicate with Maintenance department with respect to anomalous operations.
- Monitor loading and unloading of cargo to ensure a balanced load and careful handling procedures.
- Complete paperwork after each day's flight assignment, including log entries, flight tickets, tracking paperwork, etc.
- Train pilots to use new equipment, or prepare them for examinations to revalidate or upgrade existing licences
- May participate in search and rescue operations, forest firefighting, aerial surveying, crop dusting and other services.
- May perform other duties as assigned.

Requirements:

- Completion of secondary school is required.
- Completion of a certified flying or aviation school program is required.
- Must possess Canadian Commercial Pilot License (H), with VFR or IFR experience.
- Must have a minimum of 1500 hours of Pilot in Command (PIC) flight time, though 2000 hours or more is preferred.
- Must have extensive flying experience in one or more of the following aircraft type ratings: AS350, B407, AS332, SK76, and AW139.
- Previous experience working in remote geographical locations is highly desirable.
- Ability to pass criminal background check and hold a valid passport.
- Excellent problem-solving and English communication skills are required.
- Must demonstrate analytical reasoning, with the ability to prioritize tasks and projects.
- Must be self-motivated, with strong analytical skills and attention to detail.
- Must be able to adapt to unusual working hours and working conditions.
- Tour lengths may vary, depending on operational circumstances, and may be out of province or out of Canada.
