Job Details

LP Custom Machining Ltd. is seeking a full-time Heavy-Duty CNC Machinist at 211 Barton St E, Stoney Creek, ON L8E 2K3, Canada. There are 7 positions available.

Hours of work are 40 hours per week, Mon-Fri (overtime pay after 44 hours). Pay is \$37.00 per hour. Successful candidates must speak English and have completed secondary school. Minimum work experience is 4 years of hands-on experience.

Please send resumes via email to Preet.Singh@lpcustom.com

Job Description

Main duties include but are not limited to:

- Read and interpret engineering drawings, blueprints, charts, tables, or sample parts to determine machining operations, programming, and the sequence, using CNC skills.
- Compute dimensions and tolerances and measure and lay out workpieces
- Set up, operate, and maintain CNC machine tools for precision, non-repetitive machining like horizontal heavy-duty milling, boring, vertical lathe, and double-column gantry mill with 3-5 axes.
- Fit and assemble machined metal parts and subassemblies with hand and power tools.
- Ability to utilize measurement instruments to control product quality through the manufacturing process
- Verify dimensions of products for accuracy and conformance to specifications using precision measuring instruments
- Must have experience with parts weighing 2,000 – 100,000 lbs
