Job Details

PERFORMANCE INSULATION INC, Niverville, MB is looking for a full time Foamed Insulation applicator (NOC 72321) to be a part of their team at the earliest.

Position: 01

Wage: \$33.45/hour

Language: English

Location: Niverville, MB, R0A 0A2

Job duties

- Applying spray foam insulation accurately across various residential and commercial applications using spraying, blowing, pasting, strapping, taping and other application and installation methods.
- Measure and cut insulating materials to required shape and dimensions using hand and power tools
- Demonstrating a solid understanding of spray foam products, installation techniques, and basic building science.
- Fit insulation around obstructions and between joists and studs
- Brush waterproofing cement or other material over insulating materials
- Fabricate and apply removable insulation pads and covers
- Managing job sites effectively, maintaining quality control, inventory, and ensuring projects stay on schedule.
- Maintaining professional communication with clients, contractors, and other trades on-site.

Education & Experience:

Completion of secondary school is required.

Atleast 1-2 years of proven experience in insulation installation works or as an insulator helper is required.

Skills:

- Ability to perform physically demanding work, including lifting up to 50 lbs, climbing ladders and scaffolding, and working in confined spaces, at heights, and in varying weather conditions.
- Strong attention to detail and a commitment to producing code-compliant, high-quality work.
- Reliable, punctual, and able to work independently as well as part of a team.
- Physical stamina to perform demanding tasks including lifting heavy materials and working at heights if necessary.

Eligible candidates can send their resume to performance.insulation01@gmail.com

No personal drop offs and calls please. Shortlisted candidates will be contacted by our team.

Aboriginals, new immigrants and asylum seekers are welcome to apply.
