Job Details

Construction Site Supervisor

Valorous Construction Ltd. is a construction company based in Kelowna, BC, providing construction services for residential and commercial projects.

We are currently looking for a Construction Site Supervisor to join our team on a permanent, full-time basis in Kelowna, BC.

The successful candidate will be dependable, organized, hands-on, and able to manage day-to-day construction activities while working closely with workers, subcontractors, suppliers, and clients.

Job Duties

As a Construction Site Supervisor, you will be responsible for overseeing the day-to-day work at construction sites. Your duties will include:

- Supervise workers on site and make sure daily work is organized and completed properly.
- Coordinate work between employees, subcontractors, and other trades working on the project.
- Review blueprints, drawings, and project plans to understand the work that needs to be completed.
- Assign tasks to workers and provide direction and training when required.
- Help hire workers and oversee their work throughout the project.
- Make sure workers follow company policies, site procedures, and all applicable health and safety requirements.
- Keep track of employee hours, site activities, safety concerns, and other important project information.
- Plan daily work and make sure projects stay on schedule.
- Work with subcontractors to coordinate their activities and avoid delays or conflicts on site.
- Deal with problems that come up during construction and find practical solutions to keep the work moving.
- Check the quality of completed work and make sure construction is being done according to the plans and specifications.
- Monitor the progress of projects and report any delays, issues, or additional requirements.

Coordinate the ordering and delivery of construction materials, equipment, and other supplies needed for the project. Communicate with management, subcontractors, suppliers, and clients as needed regarding project progress and site requirements.

Maintain a clean, organized, and safe work site.

Position Requirements

Completion of high school.

2-3 years of experience in a related construction field.

Ability to work a variety of hours, including mornings, days, evenings, weekends, shifts, and overtime when required.

Ability to read, write, and communicate effectively in English.

Able to work in a fast-paced construction environment and manage multiple tasks.

Able to lift and handle materials weighing up to 50 lbs.

Reliable, responsible, and able to work independently as well as with a team.

The position is open to Aboriginal youth, new immigrants, Veterans, and persons with disabilities, we are equal opportunity employers.

Compensation & Employment

Wage: \$40.25 per hour

Vacation Pay: 4% of gross wages, paid each pay period

Terms of Employment: Permanent, Full-time

Hours: 8 hours per day / 40 hours per week

Location: Kelowna, BC
