Job Details

Employer: GT Painting

Position: Painter

Location: Nova Scotia

Wage: $23-$32 per hour

Employment type: Full time, 30-40 hours per week

Overview

About the Role

GT painting is seeking an experienced Painter to complete high-quality interior and exterior painting work in both residential and commercial settings while providing day-to-day guidance to a small crew. This is a hands-on position: the successful candidate will perform painting duties alongside the team and help coordinate safe, efficient completion of assigned projects.

Languages: English

Education: Completion of secondary school

Experience: at least 1 year of experience

Responsibilities

- Review work orders, drawings and specifications to determine project requirements and required quantities of materials.
- Coordinate daily tasks with the supervisor and assign work to painters, apprentices and helpers based on project priorities.
- Prepare and clean surfaces by scraping, sanding, washing and removing loose paint or old wall coverings.
- Repair cracks, holes and other surface imperfections, then apply primers, sealers and preparatory coatings.
- Mix, match and thin paint to achieve the required colour, texture and consistency.
- Apply paint, stain, lacquer, enamel, varnish and other finishes using brushes, rollers or spray equipment.
- Measure, cut and install wallpaper, fabric or other wall coverings when required.
- Protect floors, furniture, fixtures and surrounding areas before work begins.
- Assemble, inspect and safely use ladders, scaffolding and other access equipment.

- Work alongside the crew while providing instructions, demonstrating proper techniques and assisting less-experienced employees.
- Monitor work in progress and inspect completed surfaces to ensure acceptable coverage, appearance and compliance with project specifications.
- Track paint and supplies, report shortages and help control material waste.
- Maintain and clean brushes, rollers, spray equipment, tools and work areas.
- Promote safe work practices and assist with hazard assessments, toolbox talks and job-site inspections.
- Coordinate routine site activities with clients, supervisors, other trades and site representatives.
- Report project progress, delays, deficiencies, safety concerns and changes in scope to the supervisor.
- Maintain basic records of work completed, employee hours and materials used.
- Assist with material takeoffs, job measurements and cost estimates when required.

Additional information

Work conditions and physical capabilities
- Perform repetitive movements and remain standing for extended periods.
- Regularly bend, kneel, crouch, reach and twist while completing painting work
- Lift, carry and handle tools, materials, equipment and paint containers
- Work safely from ladders, scaffolding and elevated platforms.
- Work indoors and outdoors in varying temperatures and weather conditions.
- Use required personal protective equipment and work around paint, dust, fumes and cleaning products.

Personal attributes
- Previous experience guiding a crew, mentoring apprentices or coordinating job-site activities is preferred.
- Demonstrated knowledge of surface preparation, colour matching and the application of architectural coatings.
- Ability to interpret work orders, specifications and product instructions and estimate material requirements.
- Experience using brushes, rollers, spray equipment, ladders and scaffolding safely.
- Knowledge of workplace safety practices and the proper handling of paints, solvents and related products.
- Strong attention to detail and commitment to delivering a consistent, high-quality finish.
- Ability to organize work, communicate clearly and provide respectful direction to team members.
- Ability to work independently and collaboratively in occupied and active work environments.
