Current first aid and CPR certification may be required in accordance with applicable childcare licensing requirements.

How to Apply

Interested applicants may submit their résumé by email to abccdaycare1799@gmail.com or apply in person at the daycare address listed above.

Job Description

Job Responsibilities

Assist early childhood educators in implementing daily activities and learning programs that support children's physical, intellectual, emotional, and social development.

Engage children in age-appropriate activities, including storytelling, singing, drawing, painting, crafts, music, and interactive play.

Help prepare activity materials and organize indoor and outdoor play areas to provide a welcoming and developmentally appropriate environment.

Assist children with daily routines, including meals, snacks, dressing, handwashing, personal hygiene, and toilet training.

Prepare and distribute snacks and meals as required, and arrange rooms and furniture for eating, resting, and recreational activities.

Observe children's participation, behaviour, and interactions, and report relevant observations and concerns to early childhood educators or supervisors.

Encourage positive interactions among children and support the development of sharing, cooperation, communication, and independence.

Help maintain a clean, organized, and safe childcare environment by sanitizing toys, cleaning activity areas, and maintaining daycare equipment.

Assist with supervising children during indoor and outdoor activities, rest periods, mealtimes, and other daily routines.

Support educators in preparing educational materials, setting up learning spaces, and arranging activities suited to children's ages and abilities.

Participate in staff meetings and communicate with educators and supervisors regarding children's daily activities, progress, and any concerns observed.

Assist with maintaining attendance records, activity logs, and other documentation as directed by early childhood educators or supervisors.

Follow daycare policies and applicable health, safety, hygiene, and childcare supervision procedures to ensure children's well-being.
