Job Description

EVCONSTRUCT is looking for a reliable and hardworking Construction Labourer and Helper to join our team. The successful candidate will assist with various construction activities at job sites and help ensure projects are completed safely and efficiently.

Duties and Responsibilities

- Load, unload, and transport construction materials.
- Erect and dismantle concrete forms, scaffolding, ramps, and barricades.
- Mix, pour, and spread concrete and asphalt.
- Assist with framing, building walls, and roofing.
- Level earth according to grade specifications.
- Pave and rake asphalt.
- Clean construction sites and remove debris.
- Sort and pile salvaged materials.
- Operate or assist with construction machinery and equipment.
- Direct traffic near construction sites when required.
- Follow workplace safety procedures and instructions.

Qualifications

- Secondary school graduation certificate or equivalent experience.
- Previous construction experience of 1 to less than 7 months is an asset.
- Ability to perform physically demanding work.
- Ability to work outdoors and in a construction site environment.
- Ability to follow instructions and work as part of a team.

Canadian work experience is not required.

How to Apply

Interested candidates can submit their resume by email to:

****evconstructions2001@gmail.com****

Please include ****“Construction Labourer and Helper”**** in the subject line.

EVCONSTRUCT is committed to equal employment opportunities and welcomes applications from qualified candidates, including newcomers to Canada and other diverse groups.

Applicants must be legally authorized to work in Canada.
