Job Description
Orbit Home Automation Ltd. is seeking two skilled and reliable Alarm Systems Installers to join our team. The successful candidates will be responsible for installing, inspecting, troubleshooting, maintaining, and repairing electronic alarm and security equipment while ensuring quality workmanship and customer satisfaction.

Key Responsibilities
• Install, configure, inspect, and service electronic alarm systems, security devices, and related equipment.
• Examine electronic equipment to identify maintenance needs, operational issues, and repair requirements.
• Troubleshoot and diagnose faults in electronic circuits, wiring, components, and alarm equipment.
• Repair or replace damaged, defective, or worn-out electronic parts using appropriate tools and equipment.
• Conduct routine testing and inspections to ensure alarm systems and electronic assemblies function correctly.
• Adjust, align, and calibrate electronic devices and system components to maintain proper performance.
• Verify the operation of installed and repaired equipment through functional testing.
• Maintain accurate records of installations, inspections, repairs, and maintenance activities.
• Complete service work orders, technical reports, and repair documentation.
• Assess equipment repair requirements and prepare estimates for labour, parts, and services.

• Communicate with customers regarding system operation, maintenance needs, and completed repairs.
• Follow workplace safety procedures and maintain organized work areas at different job sites.

Employment Requirements
• Education: Secondary (high) school graduation certificate.
• Experience: 2 years to less than 3 years of relevant experience.
• Language: English.
• Good technical troubleshooting and problem-solving abilities.
• Strong attention to detail and hand-eye coordination.
• Ability to work independently and manage assigned tasks efficiently.
• Excellent organizational skills, flexibility, and a customer-service-oriented attitude.
• Willingness to work on-site at various locations as required.

How to Apply
Interested candidates may submit their resumes by email to:
orbithomeautomation@gmail.com
