Job Description

Key Responsibilities

Create desired edges on countertops (¼" Radius, Bullnose, Chamfers, and Ogee edges) using handheld power tools such as a polisher
Produce templates (wood representations of the countertop)
Lift countertops off the truck, carry the pieces into the customer's home, place them, and seal them
Apply silicone-caulking, and glue as needed to set quartz, marble, granite, and sintered stone in position and apply pressure to affix quartz, marble, granite, and sintered stone to base

Fill joints between quartz, marble, granite, and sintered stone with caulking and clean off any excess material
Accurately measure and mark installation surfaces based on templates or blueprints
Read blueprints or work order specifications to determine layout and installation procedures
Cut, shape, polish, and install marble and granite surfaces to specification and blueprints
Prepare base layers and attach support parts such as bolts, wires, and brackets
Remove, repair, and replace damaged or cracked quartz, marble, granite, and sintered stone as necessary

Employment Requirements
Completion of Secondary School
Minimum 4 years of experience installing and fabricating granite and marble countertops

Skills
Preference will be given to those who have knowledge of larger machines and be able to run those machines such as bridge saw, a Sasso brand edger, possibly a CNC machine.
Able to do heavy lifting (stone countertop pieces).
Must have good eye for details and be able to think on their feet.

How to Apply

Qualified candidates should submit their resume by emailing stoneagemarblecareers@gmail.com

Thank you for your interest and for taking the time to apply. Only candidates selected for an interview will be contacted.

We are an equal opportunity employer and welcome applications from everyone. We especially encourage people from groups that are often underrepresented — such as youth, Indigenous peoples, newcomers, and people with disabilities — to apply. We value different backgrounds and believe diversity makes our team stronger.
